

# Fair and Acceptable Use Policy

Document Version | 1.0

This Fair and Acceptable Use Policy applies to all services that you may purchase from Activa Communications (Activa), and should be read in conjunction with our Standard Form of Agreement and any Terms and Conditions relating to specific products or services (Services).

## 1. General

- 1.1. This policy is designed to ensure that your use of our Services does not breach any applicable laws, prevent the normal operation of our network or systems, or interfere with the rights of other customers, staff or third parties.
- 1.2. You are responsible for ensuring that use of the Service complies with this policy. You are also responsible for any use of the service by any user, including an End User to whom you supply the Service.
- 1.3. "You" means you, an employee of your company, or the End User to whom you supply the Service, or any other user.
- 1.4. "service/services" means any service you obtain from Activa.
- 1.5. You should consult this policy regularly to ensure that your activities conform to the most recent version.
- 1.6. If there is an inconsistency between specific Terms and Conditions of the Service, and this policy, this policy will apply.
- 1.7. If you become aware of any violations of this policy by other users, you should contact us.
- 1.8. You agree that Activa may republish/revise its Fair and Acceptable Use Usage Policy at any time.

## 2. Illegal Activity

- 2.1. You must not use the service for any activity that breaches any law or violates any local, state, federal or international law, order, regulation, or industry code of practice.

    - 2.2.1.2. content which violates the copyright or other intellectual property rights of others. You assume all risks regarding the determination of whether material is in the public domain, or
    - 2.2.1.3. content that defames, harasses, or abuses anyone or violates their privacy,
    - 2.2.1.4. pyramid or other illegal soliciting schemes, or
    - 2.2.1.5. any fraudulent activities, including impersonating any person or entity or forging anyone else's digital or manual signature.

## 3. Security

- 3.1. You are responsible for any misuse of a Service; this includes paying any costs (including call costs) associated with the misuse of a Service.
- 3.2. Where Activa incurs costs associated with a misuse of any Service, you may be liable for the payment of these costs.
- 3.3. You agree to indemnify Activa against the consequences of any misuse of a Service by you.
- 3.4. You must take all practical steps to ensure that others do not gain unauthorised access to any Service.
- 3.5. The Service must not be used to obtain or attempt to obtain unauthorised access to any computer, system, or network. If you do not have authorisation, prohibited activities include (but are not limited to):
  - 3.5.1. accessing, monitoring, or using any data, systems, or networks,
  - 3.5.2. probing, scanning, or testing the vulnerability of a system or network,
  - 3.5.3. breaching any security or authentication measures for a system or network,

- 3.5.4. accessing the account or private information of any other person or entity,
- 3.5.5. accessing any server in violation of any acceptable use policy of that server, including any attempt to do any of the things mentioned in paragraphs (3.5.1) to (3.5.4) above.

3.6. You must not:

- 3.6.1. use (or attempt to use) or distribute tools designed for compromising security including, but not limited to, password guessing programs, cracking tools, packet sniffers or network probing tools,
  - 3.6.2. knowingly transmit or disseminate any information or software, which contains a virus or other harmful feature,
  - 3.6.3. use (or attempt to use) the Service in a manner that may interfere with the technical operation of the service or any other computer, system, network, or telecommunications services, including (but not limited to) denial of service attacks, flooding of a network, overloading a service, improper seizing and abuse of operator privileges and attempts to 'crash' a host, or
  - 3.6.4. interfere (or attempt to interfere) with the regular workings of our systems or network connections.
- 3.7. You are solely responsible for the security of any device you choose to connect to the Service, including any data stored on that device.
- 3.8. We recommend against enabling file or printer sharing of any sort.
- 3.9. You must notify us immediately of any unauthorised or attempted unauthorised use of your Service and any other breach or attempted breach of security.

#### 4. Risks of the Internet

- 4.1. Some activities that you can perform when accessing the Internet may be harmful or cause loss to you, other people that may access your service, or your equipment. Typical activities include (but are not limited to):
- 4.1.1. downloading content (including receiving emails) from the Internet which may introduce viruses or other harmful features to your computer,
  - 4.1.2. purchasing goods or services using the Internet,
  - 4.1.3. transmitting confidential information over the Internet (such as your credit card number or other personal information), or
  - 4.1.4. accessing and viewing content on the Internet or otherwise available through the service that may be offensive to some individuals, or inappropriate for children (for example, it is possible to obtain access to content that is pornographic, offensive and/or unsuitable for children).
- 4.2. You bear all risk associated with the activities referred to above, and we do not have any liability for any claims, losses, actions, damages, suits or proceedings arising out of or otherwise relating to such activities.
- 4.3. You may minimise the risk of accessing illegal or offensive content as well as managing use of the Internet by using a filtering solution. We can provide access to one or more of these filtering solutions at a reasonable cost to you as an optional service.
- 4.4. You have the right to make complaints to the Australian Communications and Media Authority about Internet content which is or would be classified by the Classification Board as X rated, RC rated, or R rated and does not have a restricted access system in place.

#### 5. Content Publishing

- 5.1. You are solely responsible for any content that you publish via websites, email, newsgroups, online forums, or other publishing mediums accessed via the service.
- 5.2. You must not publish material that is or would be classified by the Classification Board as RC rated or X rated via websites, email, newsgroups, or other publishing mediums accessible via the service.
- 5.3. You must take appropriate precautions to prevent minors from accessing or receiving any content you have published that may be inappropriate for them. This includes implementing a restricted access

system on content that is or would be classified by the Classification Board as R rated. We also encourage you to use appropriate warnings with any content that you publish.
