- e) You must indemnify us against any Claim made against us, or Loss incurred by us (including legal costs on a full indemnity basis) in connection with such entry and installation, except to the extent that we caused or contributed to the Claim or Loss by our negligence, breach of any Law or breach of your Contract.
- f) You must obtain and maintain, at your expense, any permits, licences, approvals, authorisations, including local council planning approval required for the installation and operation of the Equipment and connection to the Service.
